

A FUTURE IN HOSPITALITY. IT'S NOT WHAT YOU THINK.

A large stadium at night, filled with a cheering crowd. The stadium is illuminated by bright lights, and several tall, vertical firework-like structures are visible in the background, creating a vibrant and festive atmosphere. The crowd in the foreground is seen from behind, with many people raising their hands in excitement.

Be a leader in one of the world's
fastest growing industries.

EDUCATION THAT SPANS THE GLOBE

Go further in the world

Two of Laureate's hospitality management schools are ranked by industry hiring managers of luxury hotels among the top 3 hospitality management schools in the world for an international career, and we are also number one in China, Spain, Australasia and Chicago (TNS, 2013). We're on four continents and over one hundred different nationalities study with us.

Tap into the world's only global network of hospitality schools. With 7 accredited institutions worldwide, you can create your own international study experience by choosing to take semesters in key business and luxury tourism locations.

With inter-school transfers and worldwide internships, you'll achieve a level of global fluency, and benefit from international exposure, that is just not attainable through other study programs. Our students go on to have successful careers with the world's most prestigious international brands.

Launch your career

If you have the determination and raw talent to succeed, we'll give you the skills and experience to get there.

Experience-based learning gives you invaluable knowledge and skills to manage real-life situations. Benefit from our unique international transfer program that gives you the opportunity to study in different countries. You'll also have the chance to undertake professional internships around the world. These placements give you the opportunity to learn from experienced peers, apply theoretical knowledge, and gain insights into the working environment.

With national and international accreditation from registered bodies such as NEASC, you're guaranteed a world-class education with Laureate. Trained to the highest standards, you'll emerge a confident and capable leader. Our students receive globally recognized qualifications that are valuable throughout their careers.

Achieve your potential with a Laureate program and get a unique springboard to launch your career from.
